

STS/ISHLT Lung Transplant Symposium

Thursday, Jan. 29, 2026

Ernest Morial Convention Center, New Orleans, LA
9:45 a.m. – 3:30 p.m. CT

This landmark collaboration between two leading societies will bring together a world-class faculty and attendees from across the globe for critical conversations about the latest in lung transplantation. The event is open to all registrants of the STS Annual Meeting, but in recognition of the event's unique nature, STS is offering a one-day pass for those who wish to attend the symposium only.

About the Symposium

- Latest in lung transplantation—from selection to long-term management.
- Live debates and case-based panels with global experts.
- Intraoperative considerations and frequently encountered challenges during surgery.
- CME credits.

Who Should Attend

- Thoracic surgeons, transplant pulmonologists, anesthesiologists, intensivists
- Advanced practice providers, transplant coordinators, perfusionists, and allied health professionals
- Fellows and trainees
